

Annual Report 2023

Protect Borneo's Rainforests e.V., Germany
Protect Borneo's Rainforests, Switzerland

The main activities in 2023 focused on raising donations. Unfortunately, income fell sharply due to the overall economic situation in Europe and the very cautious mood in society. No administration costs were incurred, as these were borne by the founders.

In 2023, additional flyers containing an emotional appeal for donations were distributed to households and displayed in stores.

In 2023 we received the following donations for our charities:

- Association Switzerland: CHF 2,300.00
- Association Germany: EUR 150.00

The following projects are planned for 2024:

- Flyer distribution campaign in Switzerland and Germany
- Newsletter
- Collection campaigns
